Changes at Alamo

On Friday, we sent out an orange flyer mentioning changes we will be making at our Kinder through third grade levels. We now have detailed information on what these changes will look like.

Mrs. Silva’s K/1 combination class will become a Kindergarten only classroom.

Mrs. Valenzuela’s 2/3 combination class will become a third-grade only classroom. The teacher for this classroom has yet to be identified as we are currently going through the hiring process. On Friday, we will be able to interview/select this teacher.

The 1st grader’s from Mrs. Silva’s combination and the 2nd grader’s from Mrs. Valenzuela’s classroom will unite to form a new 1st/2nd combination class. Mrs. Valenzuela will teach this 1st/2nd combination.

This move was directed at the district level in an effort to alleviate class sizes in all of our K-3 classrooms. Students will be selected to move from the K-3 classrooms into each of these classrooms. This selection process will include applications for class reassignment (these applications are available in the office for any parents that would like to have their child moved out of their current classroom) and numerous discussions with teachers and staff regarding which students would best fit the new classrooms.

While we go through this process, we are constantly focused on the emotional and academic needs of all of our students. In the end, we are excited that all of our K-3 classrooms will be at 30 students or less. Thank you for your patience regarding this process. We will update this site as the timeline becomes more concrete.
